LIA is Medical Laser Safety!

Laser Institute of America has been advancing laser applications and safety for over 40 years! LIA is the secretariat and publisher of the ANSI Z136 Safe Use of Lasers standards, the authoritative documents on laser safety. In addition to the standards we offer a variety of Medical Laser Safety Training courses, In-Service training and Medical Facility Audits.

Stop by Booth #2142 at AORN to receive 50% off our MLSO Online training course and see a full offering of our products and services.

For more information on how to ensure laser safety at your workplace, please contact the LIA directly at 1.800.34.LASER.
